I love you (less)
I think of how much we've grown (apart)
Of all the things we've gone through (my money)
You know how I feel about you (bitch)

I need you (gone)
Deep in my heart (like an injection of porkfat)
All that I have (you take)
Is for you (to chew up and spit out like the filthy
Slut you are)

Oh, what have I done
(What did I do)
To deserve a girl
Like you, like you

Oh, to deserve a girl
Like you, like you
I tore myself in two

I want you (out)
My whole world (sucks)
Is about you (getting free lunch)
Without you (screwin' thing up)
There's nothing (but pleasure)
For me (you swine)

Oh, what have I done
(What did I do)
To deserve a girl
Like you, like you

Oh, to deserve a girl
Like you, like you
I tore myself in two

I love you (bitch)
More than you'll ever know (bitch)
I wish I could show you (bitch)
How much you mean to me (B-B-B-Bumblefoot)

Oh, what have I done
(What did I do)
To deserve a girl
Like you, like you

Oh, to deserve a girl
Like you, like you
I tore myself in two

(Oh, baby... you know... ya know...
Ya know I just can't live without you...
I LOVE YOU! I'll kill you...)

Like a dream come true (a nightmare)
It's all about you (Satan)
