Heading for a butchery
To maim and kill it's my need
To relieve this pain inside
I need to slay them

Heading for a massive kill
A spree of unleashed death
Uncontrolled and out to burn
Burn away all living life
Sickened ways of ending life
Tearing flesh with a rusting knife
Butchering every piece of skin
To rip apart what lays within

Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!

Heading for a butchery
To maim and kill it's my need
To relieve this pain inside
I need to slay them

Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!

I'm a fucking monster out to kill
I'm a total rampage in human form
I'm a fucking beast with a thrill
Only satisfied when flesh is torn

Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
Torn! Flesh! Satisfaction!
