It's goin' like  
Yeah  
1,2,1,2  
It's goin' like  
You fucking with the X  
1,2,1,2  
1 2, slap it, like this  
Come on  
Yeah

This is going to out to you freakass mother fucking  
laptop  
Simple ass network DJs  
You fucking with the X

Let's go, let's go, let's go  
Come on, Come on, Come on

I'm playing records back  
The other DJs don't know how to act [2x]

Check it out

Can you play my record or sign my mp3  
I see you have no vinyl, shit looks wack to me  
Can you play my record, or download it from me  
Can you play my record, or sign my mp3

I'm playing records back  
The other DJs don't know how to act  
(Thats right, thats right, That's right, Come on)  
I'm playing records back  
The other DJs don't know how to act  
(Bring it back, to the back, to the back, It's the X)

This is going to out to you freakass mother fucking  
laptop  
Simple ass network DJs  
You fucking with the X  
You fucking with the X

Yo DJ, Hey yo, you the new DJ?  
Great, great great  
I see you got a new laptop  
Yo, check this out

Can I check my email before you do your mix  
Can I check my email before you do that click  
Can I check my email before you do your mix  
Can I check my email, my email real quick

It's cool to play on vinyl, so let the records spin  
How could you let this fuckhead, laptop DJ in  
It's cheap, cheap and wack, you're 4 grams a track  
I like my music physical, 'cause mp3's invisible

I'm playing records back (yeah)  
The other DJs don't know how to act [2x]

I'm playing records back  
(from the back, from the back, from the back, we want  
DJs say ..)  
I'm playing records back  
Yeah

Come on, yeah

Thanks to razvan
