A lot of folks do well enough leavin' well enough alone  
But that was never true for me and you  
Livin' like the characters in "Like A Rolling Stone"  
Confirming things that we already knew

You were young and pretty - me, well, I was young  
Leastways young enough not to need a reason  
I was for the memories and you were for the fun  
And we were both just fillin' up the season

With no dreams and no plans and no schemes  
Somehow here we are again

#### CHORUS

Na na na na na na  
We're ending up back where we came from  
Na na na na na na na

Na na na na na na  
We're ending up back where we came from  
Na na na na na na na

We had beer and "Jack" and Kerouak and weekends on  
the fringe  
And lots of time to think about tomorrow  
But it seems our little bivouac was more than just a  
binge  
Sometimes you end up keeping what you borrow

With no dreams and no plans and no schemes  
Somehow here we are again

#### CHORUS
