Hush now baby, can't you see  
This cross I bear, it ain't for me  
I do my job, it's all I have  
To give you things I never had

I had my chance in '63  
To start my own small company  
That's over now, I know it's true  
For me babe, it ain't for you

Listen to the things I say  
Don't run and hide, don't turn away  
Ain't no one knows what you should do  
Boy, it's too late for me  
It ain't for you

Son I see you're going far  
Out of college, brand new car  
Your business is doing well  
Your mom and I, we're proud as hell

But remember everything I said  
He who hesitates is dead  
And a simple man with honest means  
Is better than a thousand thieves

Listen to the things I say  
Don't run and hide, don't turn away  
Ain't no one knows what you should do  
Boy, it's too late for me  
It ain't for you

Hello dad, I know it's late  
There's something that just couldn't wait  
I'm working seven days a week  
I need some time for family

There's too much work for just one man  
So now I'm looking to expand

I did the things you said to do  
And now 'm coming back for you

Listen to the things I say  
Don't run and hide, don't turn away  
Ain't no one knows what you should do  
Boy, it's too late for me  
It ain't for you
