[Young Jeezy]

Last time I checked I was the man on these streets
They call me residue, I leave blow in these beats
Got dirreah flow, I shit on niggaz
Even when I'm constipated I still shit on niggaz (let's
get it on)
Got some Super Friends in the Legion of Doom
stay blowin purple shit that keep me high like the moon
Yeaaaa, I'm an affiliate, I know hitmen
I'm a hater like you, fuck my wrist then
Nigga sneak this, and that ain't how we play
Fuck with mine, get ya drama like the DJ (that's right)
now tell me I ain't real, this AR that I'm holdin got a
gangsta grill
Went from old school chevys
To beamer coupes
Got a 100 niggaz with me and everybody gon shoot
(yeaaaa)
Try me nigga, that's your first mistake
Eat your lil ass up like a chanterelle plate
The whole pie like Dominoes, yes indeed
I'm tryna stack my bacon up, I need extra cheese
You can try dog, but it ain't easy
Mix the flake with the soul and got Young Jeezy
(damnnn)
You still wanna talk flow man?
Soft white like a ??? snowman

[Chorus: Young Jeezy]

Smoke perp by the pound, goose by the fifth
Free up on the first then again on the fifth (yeaaaa)
We trap or die nigga, we trap or die nigga
and all these hoes love a nigga cause they know that
we the truth
Got the chevy same color Tropicana orange juice
(yeaaaa)
We trap or die nigga, we trap or die nigga)

[Bun B]

Yea, back up in the hood again, where it's all good
again

Ridin candy slab, grippin on the wood again
Outta line niggaz get back in place where you shoulda
been
In case you don't understand, we'll make it understood
again
King of the underground, my gangsta will never fail
You bout to make me go postal for fuckin with my mail
You got the connect, but you ain't got the clientel and
tell
You the hoax and niggaz know it, that shit ain't hard to
tell
Rat bitch, recognize that your cheese ain't been to
sales
I'm fina break some bread with the feds, you dumb as
hell
I been around the block before, sold it all for rock to
blow
And I don't fuck around, when the feds in town I got to
go
Respect my mind cause I'm a trill old schooler
Summertime get too hot I wait for winter when its
cooler
UGK for life, free the pimp, you know the deal
In PAT it's Trap Or Die and we ain't down for gettin
killed

[Chorus: Young Jeezy]

Smoke perp by the pound, GOOSE by the fifth
Free up on the first then again on the fifth (yeaaaa)
We trap or die nigga, we trap or die nigga
Ya know these hoes love a nigga cause they know that
we the truth
Got the chevy same color Tropicana orange juice
(yeaaaa)
We trap or die nigga, we trap or die nigga

[Slick Pulla]

We think like mathematicians, move like mobsters
It's bout to be a grizzly winter nigga a straight monster
(real nigga)
I'm posted up with my big schlapps, big stacks, big
straps
You don't wanna feel that
Street addicts get a buzz from the hustlin
Fuck the government, we got our own, the Track-
Publicans
Chillin pimp niggaz don't know the first thing about the
block
I'm 279 grams of straight drop out the pot
Real street niggaz, all the ghetto hoes on our jock
When I hit the strip, all my troops listen while I talk

This what I tell em, "Take these yams lil man
break it down, get back, see a couple grams"
And don't talk to square niggaz, you know,
spongebobs
Kanye West niggaz, talking through the wire dawg
Watch for goonies when you got it, niggaz wanna rob
And pull a staff and quarterback 'em like Brett Favre

[Chorus: Young Jeezy]

Smoke perp by the pound, ounce by the fifth
Free up on the first then again on the fifth (yeaaaa)
We trap or die nigga, we trap or die nigga
Ya know these hoes love a nigga cause they know that
we the truth
Got the chevy same color Tropicana orange juice
(yeaaaa)
We trap or die nigga, we trap or die nigga
