# "Turn My Scale On"

Visit "[Turn My Scale On](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Hopped up out the bed. Turn my scale on  
Took a look in the mirror said whats up?  
Yeah,. I'm getting money, ohhhh

Hopped up out the bed. Turn my scale on  
Took a look in the mirror said whats up?  
Yeah,. I'm getting money, oh ohhhh

They say the hood lookin' for you  
Time to bounce back  
Gotta feed the streets,  
Ya' understand your contract?  
Right here, page 1, paragraph 3  
Do what the fuck you gotta do  
Nigga just feed the streets

Remember when i tried to pay 28 bads?  
Had the nerve to be short 28 grams  
don't need to check your phone  
Somebody stole one  
Say what the fuck you wanna say  
somebody owe one

Good dick, tattoos'  
Bitches like that  
Talk to them any kind of way  
The bitches like that  
They say its all about the fit.  
I say the right hat  
They say its all about the kicks  
I say the right stack

(chorus 2x)

I feel like stunning' tonight  
Got all my chains on  
Ain't nobody touch shit  
that's my theme song  
And if you ain't get money  
Then your theme's wrong  
And if you ain't dream living

Then you dream wrong

White floors, white brick  
that's my dream house  
100 bricks the long way,  
that's my dream couch  
Can you imagine me just sitting on dem shits  
Wait for the drop to roll around  
Make a killin off of dem shits

Man its such a beautiful day  
do some lawn work  
if ya mention ya'll dead,  
that's why my arm hurt,  
23 for the B,  
thats that Lebron work,  
home invaders don't know how the law work.

Turn my scale on, onnn (repeat x6)
