[INTRO]

Trap all day,
Trap all night.
Get money all day,
Count money all night.
Dope boy sh*t
This my life
{Inaudible}
{Inaudible}

[VESRE 1]

Why he keep sayin' Yeaah? I don't even know.
I got court tomorrow, I won't even go,
I won't even show, I got sh*t to do.
Only God can judge me, Who the Fu*k is you?
They say who dat? Nig*a we that.
Today is tre day So I guess i'm tryin to 3 dat.
Never ever ever serve a nig*a where he sleep at,
Beast be at your door nig*a you ain't tryin' to see that
See my suicide watch stay on suicide watch,
Kill yourself, yeah them suicide rocks.
Had the nerve to write me a 'dear Young letter',
'Condom Young' I should'a known better.
I'm paid too much ya'll nig*as play too much,
I let the swag do the talkin', I don't say too much.
Ya'll nig*as sayin' too much.
Mr. \$17.5, Ya'll nig*as payin' too much (Yeaah)

[CHORUS]

They say 'Who dat?'
Nig*a we that
Yeaah,
Shorty Redd on the Track

They say 'Who dat?'
Nig*a we that
Yeaah,
Reportin' live from the trap

[REPEAT x1]

[VERSE 2]

I don't chase no broads, I chase money and vodka.
Next time I re-up, I'ma buy me a choppa'
And I ain't talkin the AK, I'm talkin sh*t with propellers,
Fly to the club, Make my own bit*h jealous.
'Thug Motivation', This is straight celebration.
Seen 'Jizzo's' other side outside of the station.
This ain't a mix tape, But the tape's mixed,
Black tape, Grey tape all on one brick.
Get it on the floor, Get-get it on the floor.
Last night I swear to God half-a-Mill on the floor,
Then sleep on the money like it's pillows on the floor.
Woke up to get money, Had to get it off the floor.

[CHORUS x1]

[VERSE 3]

What you know about \$20-grand stuffed in the white
sock?
Pull off in the white drop like I play for the White Sox.
Play with them white rocks, Play with them white
squares.
You call it what you want, Who the fu*k cares?
I don't never sleep, Why? Too parinoid. (Okay)
I stay in parinoia, All I do's call my lawyer (Yeah)
Tell him i know a nig*a that might have a little trouble,
Okay, he know it's me, If you beat it I'll pay you double.
Ya'll nig*as knows me, If I want to I'll make it double,
Just know it's water-whipped so you maght have a little
trouble,
Might move a little sower, Might get a few complaints.
He say he ran out of gas, He might need a half-a-tank.
Thank God it's Friday, Fresh off the highway,
Say he 2 minutes out? He 'bout to pull in the driveway.
In the driveway, Take the work out,
Cut duct tape, Check the work out (Yo)

[CHORUS x2]
