Wakin' up with nothing
Wakin' up and nothing's right
Wakin' up with nothing
I'm down, not by your side.
You believe in stories
You believe but you don't know
You believe in stories
I'm down, I'm down with you

You dance like no one danced before
A wonderful moment to escape the consequences!

Wanna flee the pressure
wanna flee don't feel at ease
thinking of the bad times
but I don't, I don't like these
Faces in the mirror
Wanna see what I've become
Wanna flip my fingers
I know, I will go on
