Just a lonely cup of coffee
For a lonely boy tonight
Need a dime to call my baby
How I long to hold her tight

Got no car to take her riding
Can't take her to a show
I just sit and stir my coffee
Wondering how my love will go
Just a lonely cup of coffee
For a lonely boy tonight
Guess I'll have to keep on dreaming
Hoping things will turn out right

Like a sad and weeping willow
Without a hope in sight
So I sit and stir my coffee
Just a lonely boy tonight
