Outside my window
You're walkin by with someone new
Outside my window
The way I used to walk with you
Smilin while you're walkin, laughin while you're talkin
Happy as can be
With your arm around him, you're so glad you found
him
You never once look up to see me

Inside my window
I'm just as sad as I can be
Inside my window
I'm wishin you'd come back to me

Some day if you're lonely and you want me only
Heres what to do
Call me, my darlin
Outside my window
And I'll come runnin to you

Ooh-ooh, ooh-ooh, ooh-ooh
