"Truly Do"

Hey, Baby, don't you cry
Hey, Baby, don't you pass me by
Remember the boy
Used to sing this song
When the summer nights were long

I love you
Truly do

Love you for your hair of brown
And the way you walk
When you go downtown
I love you
Truly do

Hey, Lady, it's been a long, long time
Have that song on my mind
Traveled half-way around the world
Never found a prettier girl

I love you
Truly do

Took my heart like a bluebird flying
I hear your name
When the wind is sighing

I love you
Truly do
