Look around
And cry aloud
Seems so much is happening
But I have found
When you awake
The sky will shine
Even on a cloudy day

Want to be
Where I can see
Oh so much is happening
To you and me
Will it end?
Will day turn black
Will we ever see things right
And how can we make it through the night?

I'm like a train
That's jumping the track
Caught up in the slide
And I'll never come back
I turn around and look for a way
Nothing that I can do
Nothing that I can say

What a life
I was living before
Hard to see
If you can't find a door
Seen the turning
Know it's burning me
To be with you

I'm like a train
That's jumping the track
Caught up in the slide
And I'll never come back
I turn around and look for a way
Nothing that I can do
Nothing that I can say
