(Les Holroyd)  
we can't all be right  
we can't all be wrong  
it's a long journey  
we travel on  
gypsies of the night  
riders of the storm  
though it's heartbreaking  
we must go on  
wrong place  
wrong face  
somewhere on the road  
keep playing  
and saying  
welcome to the show  
those who laugh the first  
must cry later they say  
as the stage curtain  
brings on the girls  
and they surely do well  
for the politicians sell them  
on t.v. today  
makes me uncertain  
of who runs the world  
wrong place  
wrong fac  
e  
somewhere on the road  
keep playing  
and saying  
welcome to the show  
my friends, all the trends  
that have gone  
are as one  
in the minds of today  
with their eyes open  
they can't see the signs  
and the moment belongs  
to the video songs  
leading now  
here at all

and the fools talking  
the blind lead the blind  
wrong place  
wrong face  
somewhere on the road  
keep playing  
and saying  
welcome to the show  
we started something  
now we can't get away from it all
