Just A Little Street Where Old Friends Meet

Isham Jones

Written by Gus Hahn/Harry Woods

peaked at # 6 in 1932

It's just a little street where old friends meet

I'd love to wander back some day,

To you it may be old and sort of tumble down,

But it means a lot to folks in my home town

Altho I'm rich or poor I still fee sure

I'm as welcome as the flow'rs in May;

It's just a little street where old friends meet

And treat you in the same old way.

TRANSCRIBER'S NOTE: Some versions may also include:

Homesick, Heartsick, nothing seems real,

That's how I feel today,

Hometown, My town, I hear you call,

Calling me far away,
