I wanna wish you well (I wanna wish you well)  
But it's okay if you don't (But it's okay if you don't)  
I understand you well (I understand you well)  
And that's okay 'cause you won't (And that's okay 'cause you won't)

It's all right  
I'll wait another night  
It's okay  
I'll wait another day

I wanna see your face (I wanna see your face)  
It's ok if you don't (It's ok if you don't)  
I'll put you in your place (I'll put you in your place)  
And it's ok 'cause you won't (And it's ok 'cause you won't)

It's all right  
I'll wait another night  
It's okay  
I'll wait another day

It's all right (Yeah it's all right)  
I'll wait another night (I'll wait another night)  
It's okay (It's okay)  
I'll wait another day (I'll wait another day) (5x)
