"Auto"

Sitting on, an auto
Not thinking, aware
Sometimes, we slip up
Loose, yourselves

You?re not
Someone I can feel
You?re not
Ever gonna fail
You?re not
Anyone I see
You?re not
Someone that?s fake

Dada-de-dum-duumm-duumm

You could, have killed them
And then I?d be still
You go, repeat it
With your choice, not theirs

You?re not
Someone I can feel
You?re not
Ever gonna fail
You?re not
Anyone I see
You?re not
Someone that?s fake (3x)
