I didn't see, you there  
I waited so long, I'm full of fear

You're gonna belong tonight  
You're frail in my forever's mind  
I swear you'll buried in the ground  
All bruised and torn  
You must have drown  
Away-ay  
Away  
Away-ay  
Away (2x)

I didn't think, you'd care  
I waited alone, I wanted you there  
I feel apart, and all along  
It felt so right, to be so wrong

You're gonna belong tonight  
You're frail in my forever's mind  
I swear you'll buried in the ground  
All bruised and torn  
You must have drown  
Away-ay  
Away  
Away-ay  
Away (2x)

You're gonna belong tonight  
You're frail in my forever's mind  
I swear you'll buried in the ground  
All bruised and torn  
You must have drown  
Away-ay  
Away  
Away-ay  
Away (2x)
