"You are"

I heard you say
Right from the start
You always knew
We'd never part
It's always been true
When I'm with you
I come apart
At the seems and I die

You are
So far
Everything
I needed
You are
A star
In my eyes
In my eyes

I herd you claim
Right from the start
It always proved
We'd never part
It's always been true
When I'm with you
I fall apart
At the seems and I die

You are
So far
Everything
I needed
You are
A star
In my eyes
In my eyes (2x)

I heard you say
Right from the start
You always knew
We'd fall apart

You are
So far
Everything
I needed
You are
A star
In my eyes
In my eyes (2x)
