Can't help how I feel
No matter how hard I try to let this thing go
Whenever you're near
I don't know what to say

I keep tryin' to tell myself
That I don't need to dwell on ya
But when you show up at my door
My heart won't hear my mind
'cuz Iâ€¦

I Just Wanna Be Close To You
Wrap my arms around ya and kiss ya all over
I Just Wanna Be Close To You
But I can't have you

Whenever you call
I try to stay cool, I know we're just friends
But I can't deny
My head is in the clouds

I'm glad that we can be friends
So please don't get me wrong, but I
Can't help it when you're around
All thoughts just disappear
'cuz Iâ€¦

I Just Wanna Be Close To You
Wrap my arms around ya and kiss ya all over
I Just Wanna Be Close To You
But I can't have you

Just like a mirage
You seem so close and real
And then I find that you're not there
Always on mind
What am I supposed to do?
When Iâ€¦

I Just Wanna Be Close To You
Wrap my arms around ya and kiss ya all over

I Just Wanna Be Close To You
But I can't have you

But I can't have you
