"My Soul"

There's a force that lurks inside of me
It's clamoring in My Soul
Only wanting to be pure and free
And never growing old

Oh, it's got me, it's got me,
My Soul
Oh, it's got me, it's got me
My Soul

There's a voice inside that wants to speak
But sometimes I do not hear
Time has tried so hard to make me think
The Truth and Light I should fear

Oh, it's got me, it's got me,
My Soul
Oh, it's got me, it's got me
My Soul
[My Soul Lyrics On]
La la la la
My Soul
La la la la,
La la la la
My Soul
La la la la (etc.)

Oh, it's got me, it's got me,
My Soul
Oh, it's got me, it's got me
My Soul
