Walk away - you came into my life and then you run  
away

Is there nothing I can do to try and make you stay?  
I can see you in the arms of another girl

you shattered my world.  
Suddenly I'm not half the woman that I used to be

All I have is memories -  
You took my love  
you took my love  
you took my love

you took my love and left me helpless - helpless.  
You took my love  
you took my love  
you took my love

You took my love and left me helpless - helpless.  
All alone - we had it too together  
now I'm all alone.  
I shared a life with you and now I don't belong.  
I'll have to start a new life on my own

but I'm not that strong.  
Suddenly I'm not half the woman that I used to be

Now all I have to hold on to is memories.  
I just cannot imagine there is treachery  
all I have is memories.  
You took my love  
you took my love  
you took my love

...

Suddenly I'm not half the woman that I used to be

All I have is memories -  
You took my love  
you took my love  
you took my love

...

Helpless - you took my love  
you took my love

You took my love and left me helpless.  
You left me helpless  
oh  
you left me helpless

Oh  
you left me helpless  
helpless  
helpless

You took my love  
you took my love and left me helpless . . .
