Sitting here, daydreaming about you  
Oh, everything we had, wish I could get it back  
Cuz if it ain't you then I don't want it  
And if it ain't you then it ain't for me  
I can see your face whenever I'm sleeping  
But hurts when I realize I'm dreaming

So if I can't have you, ill just be single for the rest of my  
life  
And you can't be replaced by nobody else  
Ill go crazy if I cant have you for myself  
If I can't have you, ill just be single for the rest of my  
life  
I've decided that nobody can compare to you  
There's nobody that can make me feel the way you do

There've been a few, who've tried to take your place  
I've been on many dates, still it just ain't the same  
If its not a letter sent from you then i dont read it  
If its not a gift sent from you then i dont need it  
I've been longing just to find someone just like you  
But nobody can do it quite like you

So if I can't have you, ill just be single for the rest of my  
life  
And you can't be replaced by nobody else  
Ill go crazy if I cant have you for myself  
If I can't have you, ill just be single for the rest of my  
life  
I've decided that nobody can compare to you  
There's nobody that can make me feel the way you do

I took your pictures off the wall  
That didnt seem to help at all  
So im gonna put it out there, imma let you kno  
if u need to rest your head, you can come back home  
I thought that i could live without your love, you know i  
tried  
but i feel incomplete when i dont have you in my life  
So im gonna put it out there, imma let you kno  
if u need to rest your head, you can come back home

So if I can't have you, ill just be single for the rest of my  
life  
And you can't be replaced by nobody else  
Ill go crazy if I cant have you for myself  
If I can't have you, ill just be single for the rest of my  
life  
I've decided that nobody can compare to you  
There's nobody that can make me feel the way you do

So if I can't have you, ill just be single for the rest of my  
life  
And you can't be replaced by nobody else  
Ill go crazy if I cant have you for myself  
If I can't have you, ill just be single for the rest of my  
life  
I've decided that nobody can compare to you  
There's nobody that can make me feel the way you do  
Nobody.. can make me feel the way you do...ooooo  
Noboody.. can make me feel the way you do....
