We are flying
High above the ground
Wait less hopeful- proud-
Morning
Ive lost
All of my life
I sing in silence

In your arms
Crawling around the crowded stairs
Here Ill stay
Crumbles under where its warm
Hide my mind
A little jaggy around the edge
Til Im sane
Trembles loud theres no alarm

Dreams last forever
Days dont mean the same
Forever flying proud-
Morning

We stand
Small in your hands
Slip land
In violence

In your arms
Crawling around the crowded stairs
Here Ill stay
Crumbles under where its warm
Hide my mind
A little jaggy around the edge
Til Im sane
Trembles loud theres no alarm

We celebrate
Time on our hands
No alarm
No one was warned
We celebrate

Time on our hands
No alarm
No one was warned

In your arms
Crawling around the crowded stairs
Here Ill stay
Crumbles under where its warm
Hide my mind
Slightly uglier this way
Til Im sane
Crusted battered-bruised- and torn
I will lie
A little jaggy around the edge
To save your life
Tattered-wasted-sleepy-prey
Instead of mine
Trembles loud theres no alarm
