Isnt she lovely?
Isnt she swell?
Isnt she a lot like me?
But I dont want to take it to my grave
Then again

I will help you anyways-I cant feel
In this house we call a home- I cant sleep

Isnt she lovely?
Isnt she swell?
Isnt she a lot like me?
But I dont want to take it to my grave
If I cant and I wont and I will not try
Then again its way too loud
If I could and I would and I can not hide
Then Ill pray
Then again

I will help you anyways-I cant feel
In this house we call a home- I cant sleep?
Mama can you wake up dear- Will you always leave?
I got a lot of things going on right here- Will I always stay?
A lot of things on my mind -Will you always lie?
Mama can you spare the time- Just to get your way

Bridge
I feel alone and its getting worse- its getting worse

I will help you anyways-I cant feel
In this house we call a home- I cant sleep?
Mama can you wake up dear- You will always leave?
I got a lot of things going on right here- I will always stay?
A lot of things on my mind - You will always lie?
Mama can you spare the time- Just to get your way

I feel alone and its getting worse- its getting worse

I will help you anyways-I cant feel

In this house we call a home- I cant sleep?
Mama can you wake up dear- You will always leave?
I got a lot of things going on right here- I will always
stay?
A lot of things on my mind - You will always lie?
Mama can you spare the time- Just to get your way

Isnt he lovely?
Isnt he swell?
Isnt he a lot like me?
But I dont want to take it to my grave
