Please

Shes forever known Skies will always fall Shes been handed down Its not her fault

I wont ever change I wont ever change

Please

Shes so small-I I can hardly see her Shes so tall- I can hardly reach her Shes my friend I hardly know her She sleeps scared

I wont ever change- Even if I try I wont ever change- anything thats mine I wont ever change- it can only be I wont ever change-

Her heart her hands Are blind to what I see-like her She stands like me- she looks like me I want to be - like her I can not lie I wont deny I want to be like I am

I wont ever change-will you ever see me I wont ever change- even if I swear to be I wont ever change- only what you really need I wont ever change

Please For me Please
