Good little girls dont wonder off  
Always on their own  
Seek their pearls in the crowd  
Never will they know  
Im so shy designed by hope  
Anyone at all  
Makes me weep inside  
Thats just so silly

Fallen down I cant get up  
Maybe only for today  
Got your prayers on my side  
Always standing in the way  
Its not enough to wish your dreams  
Anyways its late  
Take every break dare to a bide

Quiet down Im simply alive  
Tired by the splendid light  
My eyes fill with wealth and charm  
Im gonna get me some  
Thats just so silly

Take a little luck-Take a little hope  
All the angels fall  
Take a little love- Followed by despair  
Almost like they know  
Open up your arms- Open up your heart  
I can only be  
Open up your eyes  
Only what I see

Quiet down Im simply alive  
Tired by the splendid light  
My eyes fill with wealth and charm  
Im gonna get me.

Some  
Its not so hard  
Bowing so low  
Grateful I grin

Quiet down Im simply alive  
Tired by the splendid light  
My eyes fill with wealth and charm  
Im gonna get me some  
Im gonna get me some  
Im gonna get me. some
