ain't got no rhyme or reason  
ain't got no soul to speak of  
i ain't got no compass  
or no sense of self direction  
but i'll call you when i get there

i'll take you there

ain't got no easy answers  
ain't got no wicked punch lines  
i ain't got compass  
or sense of clear direction  
but i'll call you when i get there

i'll take you there

i don't know where i'm going  
but i do know where i've been  
and i'm holding out  
till i find some answers  
then i'll be calling for you  
calling on you yeah yeah yeah

ain't got no natural calling  
i ain't got no healing heart pin  
i ain't got no compass  
or no sense of self direction  
but i'll call you when i get there

i'll take you there
