World is gonna die, dead crowd, blood spilled all
around

Sparking gore is everywhere, legion reigns over the
universe

Red burning clouds, all men are crucified

Sharp pain terrifying scream of dying lives

DENY! Holy virgin she is broken by sin

DENY! Holy virgin she is dead from the evil figure

DIE! Crucified for the many in one

DIE! Crucified for ther lord of burning world

The slaughter fulfills his longing for the blood

Parody of judgement is his game

Forest of the impaledreflects in daemons' glare

Black slashing rainit will not wash the blame

The fallen angels horde is lead by the evil sword

Voice of the dead, dispair of half-living men

The slaughter fulfills his longing for the blood

This is the ultimate fallen angels fly - WORLD HAS TO
DIE!

You're melting flesh in the fire of hell

Lord legion rules in heaven

Melting flesh in the fire of hell is the rest of human race

Legion rules in heaven , your hope lays down in
burning graves

Sacrifice was made, the ultimate war destroyed the
world

Savage horde - the army of the evil crusade delights
the lord
