I don't know what it is about tonight
But something's going down, I can feel it
Getting crazy
I won't stop work for getting ready
I have to get out of here
'Cause we got a city to tear down tonight
I say oh no oh no lets go
I said oh no oh no lets go
Let's make it count, tonight's almost gone
Cause all we need is a break from this life for one night
only
So we can breathe
If we wanna stay sane, we gotta get crazy
And all we need is a break from this life for one night
only
So we can breathe
If we wanna stay sane, we gotta get crazy
I roll down the window as I drive home
It's summer I can finally feel it
I drive like crazy
And oh oh my friends all know that this is the night in
our town
Let's tear the whole thing down
Oh no oh no lets go
I said oh no oh no lets go
Let's make it count, tonight's almost gone
Cause all we need is a break from this life for one night
only
So we can breathe
If we wanna stay sane, we gotta get crazy

And all we need is a break from this life for one night
only
So we can breathe
If we wanna stay sane, we gotta get crazy
Oh so young and so ready now
And it's our time, it's our time to get down
So spin it out, make it count tonight
Oh so young and so ready now
And it's our time, it's our time to get down
So spin it out, make it count tonight

All we need is a break from this life for one night only
So we can breathe
If we wanna stay sane, we gotta get crazy
All we need is a break from this life for one night only
So we can breathe
If we wanna stay sane, we gotta get crazy
All we need is a break from this life for one night only
So we can breathe
If we wanna stay sane, we gotta get crazy
