This is real to me
And it's running through my veins
Driving you away, away

Getting rid of me
I am uttering these words
Never to return
This isn't easy for me either

This is the way it will be
You'll find it strange
How little you'll miss me

Here's to letting go
Here's to letting go
Of all that held me down
Getting rid of me

Here's to letting go
Here's to letting go
Of all that held me down
Getting rid of me

I suppose that I should
Get a little deeper with you now
It's kinda like the feeling of watching
Everything around you tumble down

But you don't seem to mind
In fact the ashes seem
To be too beautiful for words
Never to return
I need to know you're with me now

Here's to letting go
Here's to letting go
Of all that held me down
Getting rid of me

Here's to letting go
Here's to letting go
Of all that held me down

Getting rid of me

So I?m, so I'm, so I'm, so I'm

So I?m ready now

Get rid of me

Get rid of me

Get rid of me

Get rid of me

Get rid of me
