It doesn't work that way
You've seen enough to know better
Better recalculate this
This time use your heart and not your mind

Maybe you just don't get it
And you've worked too hard to throw it all away
You're just not ready, baby
To start over again

Set, set, set, now you're ready to go
Couldn't make it better if it never belonged
Take your time, figure it out
It's a call to all the pain, this too shall pass

We'll find a brand new way
You've seen enough to do better
When you recalculate it
Darling, use your heart

Maybe you just don't get it
And you've worked too hard to throw it all away
You're just not willing baby
To start over again

Set, set, set, now you're ready to go
Couldn't make it better if it never belonged
Can take your time, figure it out
It's a call to all the pain, this too shall pass
This too shall pass, this too shall pass

Ain't it funny how we starve for our salvation
Maybe it was there in front of you
Searching in the strangest of all places
Maybe it was there beside you, know that this will pass

All dressed up and you're ready to go
Couldn't make it better if it never belonged
Take your time, figure it out
Can't take away the pain, but it will pass, this too shall pass

Set, set, set, now you're ready to go
Couldn't make it better if it never belonged
Take your time, figure it out
It's a call to all the pain

Set, set, set, now you're ready to go
Take your time, figure it out
It's a call to all the pain, this too shall pass
This too shall pass, this too shall pass
