I know things are getting tougher
When I can't get the top up off the bottom of the barrel
Wide open road of my future now
Is looking fuckin narrow
All I know is that I don't know
All I know is that I don't know nothing
All I know is that I don't know
All I know is that I don't know nothing
We get told to decide
Just like as if I'm not going to change my mind
All I know is that I don't know
All I know is that I don't know nothing
All I know is that I don't know
All I know is that I don't know nothing!
And that's fine
