never had a reason for the attack  
it's impulsive and insane  
when I wanna talk sense to you  
it's like spitting back at rain  
I've come to know that when i first saw you  
I should have ran away  
I've kicked myself a thousand times  
but now its too late  
yelling in my ear you try to control me  
you look but you don't see  
yelling in my ear  
you got a big mouth are you ever gonna get a clue  
youre loud obnoxious when youre gone I still hear you  
always spewing shit with you irritating voice  
I dont wanna listen but I got no choice  
quit acting like youre nuts, just shut the hell up
