Loco man,  
watchin' all the fish swim away.  
He no work, he just sleep and play.  
Sitting here on tha sand.

Sunny-land,  
Coconut comin down all tha time.  
Milk, she sweeter than honey wine.  
Sitting here on tha sand.

He's a loco man!

Loco man,  
crazy, but he gotta plan.  
Doin' it just because he can.  
Yeah- he loco like ice cold cocoa.

Loco man,  
sit in sun when he want to sweat.  
Go in ocean to get him wet,  
Sitting here on tha sand.

He's a loco man!

Loco man,  
crazy, but he gotta plan.  
Doin' it just because he can.  
Yeah, he loco like ice cold cocoa.

Loco man,  
sit in sun when he want to sweat.  
Go in ocean to get him wet,  
Sitting here on tha sand.  
Sitting here on tha sand.  
Dat's tha loco man you talkin' bout.  
Sitting here on tha sand.  
Dat's right...

Loco man!
