all these times we stop and wonder
how it all has come to past
i keep hurting someone
open wide your eyes are looking
that everything has been held back
lead loves in
until now
i've been walking
passing the side
well i'm sure that

i.. i wouldn't change
a single thing
as you want it
and we.. we shouldn't changed
a single thing

summer skies and stormy weather
don't you know they're with the past
keep high someone
open wide your eyes are looking
that everything has been held back
lead loves in
until now
i've been walking
passed in the time
well i'm sure that

i.. i wouldn't change
a single thing
as you want it
and we.. we shouldn't changed
a single thing

i.. i wouldn't change
a single thing
as you want it
and we.. we shouldn't changed
a single thing

cause until now

i've been walking
pass in the time
now i'm sure that
