This trust is broken  
We have less to depend on  
A sincere feeling of being defeated

We're growing tired  
Of waiting and wishing  
And throwing our coins  
Down to the fountain

Come home quickly  
But please drive safely  
Come home in one piece  
(In one piece)

Just say that you miss me  
And please come home quickly  
I just need you in my arms

We have put in long nights  
Where we can't even stand up  
We've made our beds  
By where our heads lie

We're cutting teeth on dreams of excess  
With rolled up sleeves  
We're bound to push on

Come home quickly  
But please drive safely  
Come home in one piece  
(In one piece)

Just say that you miss me  
And please come home quickly  
I just need you in my arms

Come home quickly  
But please drive safely  
Come home in one piece  
(In one piece)

Just say that you miss me

And please come home quickly  
I just need you in my arms

Come home quickly  
But please drive safely  
Come home in one piece  
(In one piece)

Just say that you miss me  
And please come home quickly  
I just need you in my arms
