Intro - Phonte] Believe me, I understand how you feel I
understa- I-...I'm TRYIN to, I'm tryin to do th- I-, I t-...
So, so now you gon' give me the pillow and the blanket,
right?
So, so okay, so that's my cue to go downsta-
That-that's, that's me? I'm on the couch?
That's cool I wanted to play Xbox on the big T.V.
anyway!

[Phonte] WELLLL, did you really have to say that you
gon' leave me? (DAYUM!) Just 'cause I undressed and
left my clothes on the floor (You cold-blooded..)
Everybody says that what we do ain't easy (It ain't easy,
baby!) But I know something's changed 'cause we ain't
been here before

[Chorus] No need to cry, this is why Let me tell you
something, my love is true It don't have to be so all or
nothing Just let it rock, to the top Let me tell you
something, it's me and you It don't have to be so all or
nothing

[Darien Brockington] Seems this love affair is
complicated (And I'm) wondering why we're holding on
You want it this way (this way), I want it that way (that
way) Seems like baby, we can't agree (can't a-
GREEEE..) But baby, in the darkest night (night) I'll
always be by your side (side) Ablaze, our love's on fire
(fire) (Brighter than the morning
suuuuuuuuuuuuuun...) Whoa-oaa-aaah-oooooh..whoa-

your dreams and your fantasy's gone Both of y'all
thinkin it's the +End of the Road+ Wanna break like
Nate, Mike, Shawn, and Wan' Hold up, you ain't gotta
live through such extremes I understand my baby and

just what she means And even if we fight and call each
other some names It ain't the end of the world, it's just
a part of the game, yaknahmsayin? Uh! [Chorus] Let's
