Listen

It's so hard to read between the lines
Just know you are mine
I am yours
Nothing more

Looking for the way
To ask you to stay
with me
One more night, one more day
So i lay here beside you

Nothing better to do
What could be sweeter than you
(sweeter)
With nothing better to do
Im asking what could be sweeter than you

So much that we can't understand
Take you by the hand
Love so bitter sweet
We agree, usually
Try to hold back the feeling
But we both can see
That's it's calling me

We've been here a thousand times before
And every time we swear its a mistake
shouldnt be this way
This is the game we play to lose
Yet and still i choose
You
Nothing better to do (there's nothing better)
What could be sweeter than you
(What could be sweeter)
With nothing better to do
Im asking what could be sweeter than you

(better to do, sweeter than you)

Sweeter than you
