"Suicide Is Painless"

Through early morning fog I see
visions of the things to be
the pains that are withheld for me
I realize and I can see...

[Refrain]:

That suicide is painless
It brings on many changes
and I can take or leave it if I please.

[Refrain]

The game of life is hard to play
I'm gonna lose it anyway
The losing card I'll someday lay
so this is all I have to say.

[Refrain]

The sword of time will pierce our skins
It doesn't hurt when it begins
But as it works its way on in
The pain grows stronger, watch it grin, but...

[Refrain]

A brave man once requested me
to answer questions that are key

"is it to be or not to be"

and I replied "oh why ask me?"

'Cause suicide is painless

it brings on many changes

and I can take or leave it if I please.

...and you can do the same thing if you please.
