Yeah!

Yeah!

You can pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,
Yes you got what it takes
To end all the heartaches

Pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,
Yes you got what it takes
To end all the heartaches

In my life there's been nobody
Who ever cared a bit about me
I was the one guy deserving love
But every time it seemed
To be found
I was the one guy
Really hurting love,
Who ended up flat on the ground

(You're on the ground)

You can pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,
Yes you got what it takes
To end all the heartaches

Pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,

Yes you got what it takes
To end all the heartaches

Tried so hard
To take it cool and easy
But everything seems
To go wrong
I was the one guy
Believe me love
Who seemed to have
Some kind of knack
To be the one guy
Deceived in love
Who ended up flat on his back

(Laying on your back)

You can pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,
Yes you got what it takes
To end all the heartaches

Pick me up baby
And put me back,
Back on my feet again,
And make this love of mine
Sweet again,
Yes you got what it takes
To end all the heartaches

REPEAT CHORUS TO FADE
