Shik shak shok  
shik shak shok  
shik shak shok  
nassik ya habibi il rap w il rock  
My darling, I'm going to make you forget about rap and  
rock  
shik shak shok  
shik shak shok  
nassik ya habibi il rap w il rock  
My darling, I'm going to make you forget about rap and  
rock  
wi ta aala nir'os baladi  
Come, let us dance baladi (our native music)  
halawa  
How beautiful!  
dal baladi ya nour eini  
This baladi is the light of my eyes (ie it's so dear to her)  
wa ta aala nir'os baladi  
come let us dance baladi  
dal baladi ya nour eini  
this baladi is the light of my eyes  
bil albi bi shok  
In the heart it pierces  
shik shak shok

P.S. Shik shak shok can literally be  
translated as pierce, it pierced, pierce.

Thanks to razvan
