I give to you and you give to me

True love, true love

So on and on it will always be

True love, true love

(For you and I have a guardian angel)

(On high, with nothing to do)

But to give to you and to give to me

Love forever true

True love, true love

True love, true love

(For you and I have a guardian angel)

(On high, with nothing to do)

But to give to you and to give to me

Love forever true

Love forever true
