you don't even hear me when i speak anymore (no)  
it's almost if you're looking right through me, am i  
invisible?  
why is it that you don't acknowledge me  
do i even exist to you baby  
i remember when you said i made you feel alive (yeah)  
now whenever i come around you just run and hide  
it's almost like there's something i don't know  
am i dead to you? am i haunting you?

am i a ghost? am i a ghost?  
is there anything that's left of me?  
am i a ghost? am i a ghost?  
to you that it's worth saving  
am i a ghost? am i a ghost?  
or have i just stopped living?  
can i walk through walls?  
tell me girl.. am i a ghost? (ooh ooh ooh ooh)  
am i a ghost? (ooh ooh ooh ooh)

oh i never imagined i would be on the other side (no)  
floating aimlessly as you go on with your life  
can i resurrect your buried love for me  
or am i dead to you? am i haunting you?

am i a ghost? am i a ghost?  
is there anything that's left of me?  
am i a ghost? am i a ghost?  
to you that it's worth saving  
am i a ghost? am i a ghost?  
or have i just stopped living?  
can i walk through walls?  
tell me girl.. am i a ghost?
