(oh) shorty i can tell somethings wrong  
what's on your mind  
ever since you got off that phone you've been acting  
strange  
shorty i can take it out strong  
no need to lie  
is there something i need to know  
girl i can't go on in this relationship  
ain't call you my girlfriend  
til i know exactly where i stand as your man  
you're holding back some secrets you are keeping  
and i don't quite know if i can handle that  
how long has it been going on  
and what does he have that i don't have girl  
can we ever get back our love  
or is it gone away forever

i don't wanna lose what we had  
just the thought of it makes me sad  
holding on, holding back  
tears from a broken man  
i don't want us to slip away  
not tonight, girl not today  
holding on, holding back  
tears from a broken man  
(whoa whoa whoa..)  
tears from broken man

baby girl help me understand  
what did i do  
to push you away  
i can't (?)  
shorty we made so many plans  
i'm so confused  
i gave you the world  
and you ran into his hands  
girl don't leave and standing here  
i don't wanna lose you  
it's simply more than i can bare  
it's not fair  
nothing compares to what we had between us girl

don't stand there and tell me that he can do you better  
girl  
how long has it been going on  
and what does he have that i don't have girl  
can we ever get back our love  
or is it gone away forever

i don't wanna lose what we had  
just the thought of it makes me sad  
holding on, holding back  
tears from a broken man  
i don't want us to slip away  
not tonight, girl not today  
holding on, holding back  
tears from a broken man  
(whoa whoa whoa..)  
tears from broken man

i can feel your grip slipping  
i can't handle it  
it's more than one man can take  
three years washing down the drain  
thought you'd be my wifey girl  
now you're shattering my world  
sit a minute with me lets think this through  
are you really ready to walk away  
is there nothing i can do or say (ay ay)  
i'll make it right whatever it takes  
i'm begging, i'm pleading  
please stay..

i don't wanna lose what we had  
just the thought of it makes me sad  
holding on, holding back  
tears from a broken man  
i don't want us to slip away  
not tonight, girl not today  
holding on, holding back  
tears from a broken man

i don't wanna lose what we had  
just the thought of it makes me sad  
holding on, holding back  
tears from a broken man  
i don't want us to slip away  
not tonight, girl not today  
holding on, holding back  
tears from a broken man  
(whoa whoa whoa..)  
tears from broken man
