I cannot pretend
That every now and then
I think about you
I think about you

Ever since the day
You left and went away
I think about you
Think about you

I can't let go
You make me whole

It pulls me down
Not a sound

Alone with all my enemies
I need to find the enemy somehow
I'm open now for anything
I can't remember anything somehow

Tried to clear my mind
And leave it all behind
I think about you
Think about you

Remembering the day
You took my breath away
I think about you
Think about you

I can't let go
You make me whole
Pulls me down
Not a sound

-Chorus-

I can't let go
You make me whole

It pulls me down
Not a sound

-Chorus 3-

It pulls me down
Not a sound

-Chorus 4-
