I still feel her breath on me  
but my empty heart still bleeds  
this silence, these shadows  
this loneliness is killing me why?

every time I see your face  
I feel a touch of your grace  
I wanna have you here so stay  
but this is how it remains

what would I give to be free

'cause on the inside I'm dying, just trying  
to be with you  
no matter how hard I'm trying, I'm still dying  
here without you

I cant erase this from within  
oh how she sickens me  
I wish that I could be free  
still I'm choking in my sleep

what would I give to be free  
from my sins from myself  
from within

'cause on the inside I'm dying, just trying  
to be with you  
no matter how hard I'm trying, I'm still dying  
here without you  
'cause deep down inside it's hard to survive  
here without you  
and when I'm asleep you're still in my dreams  
the walls are still closing in on me

'cause on the inside I'm dying, just trying  
to be with you  
no matter how hard I'm trying, I'm still dying  
here without you  
'cause deep down inside it's hard to survive  
here without you

and when I'm asleep you're still in my dreams  
the walls are still closing in on me  
in on me

every time I see your face I feel a touch of your grace  
I wanna have you here  
so stay  
but this is how it remains  
it remains  
but this is how it remains
