Hate World Hero "Another Try"

Why are you doing this to me? Why do you stab me in the back?

In the freezing night of December When the snowflakes fall so gentle - and hit the surface I just canÃt shut you out The line of trust is almost gone But everyone deserves another chance Punctured lungs and broken fists Ready for another try

Take a step for the ones you love Take one back for the ones you hate Stop, - seeking the burden of life Dry your tears and live your life

Why are you doing this to me? Why do you stab me in the back?

In the freezing night of December When the snowflakes fall so gentle - and hit the surface I just canÃt shut you out The line of trust is almost gone But everyone deserves another chance Punctured lungs and broken fists Ready for another try
