Prowler carry on wings of destiny
You've got to hide your name
The war of the universe
Will never see an end

Lost in the depths of me
The prophet of the zaephyr skies
Dreams of the moments
Forever ahead on our way

As we speak of the devil
Who is possessing the beauty of darkness
The lady of hearts
Sings her last song

Lost in the depths of me
The prophet of the zaephyr skies
Dreams of the moments
Forever ahead on our way

You never walk alone
I'll lead the way
Your doubts, let them go
Where together as one

As we speak of the devil
Who is possessing the beauty of darkness
The lady of hearts
Sings her last song

You never walk, never walk alone
I'll lead the way
Slipping from reality
Everything can
Everything can
Everything can
can change
