Featuring Tamia]

L . O . V . E is the letters in

a thug that lets him think let a war

come in peace my relationship forever

i wanna keep buying shit rolling on

the jeep much love and kissing sexual

heeling's let my man jonny take the

freelance tape the show then press

replay

chorus:baby boo am stuck with you you

got my heart cazy glued am in love

wiht you(x3)

Tamia: all that i want is a man who

got a heart and knows how to act from

the very first start letting emotions

do they part doesn't matter how large

you are aslongs as you got game from

the heart you stole my heart

J.P:I THInk about you alot baby boo

some niggas cum then then leave the

girl 9month pregnt in school. girls

fronting am not mad at you but they
was the one who let the hunter catch
his food. see am a mad of my words ama
get on bended knees and ask those four
verse heartbroken all day it hurts
doens't matter what age or sex you
heard!

TAmia: LOve is such a small word but
with such a meaning it'll leave things
that are straight leaning am so into
you ama stay with you all my life i
wanted so one like you now that i
found ya i will never let you go
chorus:baby boo am stuck with you, you
got my heart crazyed glued am in love
with you (till the end) (Tamia still singing
